

## **Declaration by Research Scholar**

### **Originality of Research Work**

I declare that thesis entitled “*Synthesis, Characterization and Biological Activity of Heterocyclic Compounds*” is my own work conducted under the supervision of **Dr. Mahesh M. Savant** at Department of **Chemistry**, Faculty of **Science**, Atmiya University, Rajkot, Gujarat, India and approved by the Director of Research.

I further declare that to the best of my knowledge the thesis does not contain any part of any work which has been submitted for award of any degree either in this University or any other University without proper citation.

Date:

Place: Rajkot, Gujarat

**Jayraj N. Jatiya**

## Certificate of Supervisor

This is to certify that work entitled “*Synthesis, Characterization and Biological Activity of Heterocyclic Compounds*” is a piece of research work done by **Mr. Jayraj N. Jatiya** under my supervision for the degree of Doctor of Philosophy in Department of **Chemistry**, Faculty of **Science**, Atmiya University, Rajkot, Gujarat, India

To the best of my knowledge and belief the research work and thesis

- I. Embodies the work of candidate himself / herself,
- II. Has duly been completed,
- III. Fulfils the requirement of ordinance related to Ph.D. degree of the University &
- IV. is up to the standard both in respect of content and language for being referred to the examiner.

Date:

Place: Rajkot, Gujarat

**Dr. Mahesh M. Savant**

## **Declaration by Research Scholar**

### **Submission of Thesis**

I declare that the submitted thesis entitled “*Synthesis, Characterization and Biological Activity of Heterocyclic Compounds*” incorporates

1. All the suggestions / directions / modifications / additions / deletions received from the supervisor and the external examiners through their thesis evaluation reports.
  
2. All the suggestions / directions / modifications / additions / deletions received from the panel of examiners during the public viva-voce (Open Defence) conducted on **04 / 11 / 2024**

Date:

Place: Rajkot, Gujarat

**Jayraj N. Jatiya**

## Acknowledgement

First and foremost, I extend my deepest gratitude to the Almighty God for granting me the strength and abilities to complete my Ph.D. Through divine blessings and guidance, I have been able to overcome challenges and achieve this significant milestone in my academic journey.

I am immensely thankful to my supervisor, **Dr. Mahesh M. Savant**, for his unwavering support, invaluable guidance, and expert knowledge. His dedication and encouragement were pivotal in shaping this Ph.D. and refining my research skills. I am sincerely grateful for his patience, insightful feedback, and continuous motivation that helped me navigate through the complexities of this study.

I express my heartfelt gratitude to **His Divine Holiness Hariprasad Swamiji Maharaj and Pujya Tyagvallabh Swamiji** for their spiritual guidance and blessings, which have profoundly influenced my academic journey. Their wisdom and teachings have been a source of inspiration and enlightenment, contributing significantly to my academic and personal growth.

I wish to extend my sincere thanks to **Dr. K. D. Ladva**, Principal of Shree Manibhai Virani & Smt. Navalben Virani Science College, for providing the necessary facilities for my research and for his encouragement and continuous support.

My heartfelt appreciation goes to my Head of Department, **Dr. Pankajkumar B. Nariya**, whose expertise, encouragement, and valuable insights have been instrumental in shaping my research and fostering my growth. I am truly grateful for the inspiring learning environment he created. I also thank **Dr. Anilkumar S. Patel, Dr. Satishkumar D. Tala, Dr. Neha K. Baku** and all staff members of the department of chemistry for their valuable support and guidance throughout my work.

I would like to express my profound gratitude to my esteemed senior, **Dr. Jaysinh Jadeja**, whose unwavering support and guidance have been instrumental in the completion of my Ph.D. His invaluable insights, encouragement, and dedication have been a source of inspiration throughout my journey. Without his generous support and mentorship, achieving this milestone would have been nearly impossible. I am deeply indebted to him for his remarkable contributions to my academic success.

I am profoundly grateful to **Atmiya University** for its role in my Ph.D. journey. The university's commitment to excellence, exceptional faculty, and state-of-the-art resources have been essential in my academic and personal development. The support, encouragement, and mentorship I received from the university have been crucial to my success, and I am forever thankful for the opportunities it provided.

Additionally, I acknowledge the scholarship from the Government of Gujarat under the "SHODH-Scheme of Developing High-Quality Research," which enabled me to carry out this research. Their investment in my academic pursuits was vital to the successful completion of this project.

I would like to extend my heartfelt gratitude to all the research scholars who generously devoted their time and shared their knowledge for this research. My sincere thanks go to **Deep Mandir, Amit Khakhriya, Maitree Patel, Aamir Shama, Monil Dholariya, Deep Makadiya and Nishant Gadara**. Their active involvement has been invaluable, and without their support, completing this study would have been much more challenging. I deeply appreciate their contributions to this work.

In conclusion, I am grateful to all those mentioned above and many others who have played a role in shaping my academic and personal growth. Your support, encouragement, and guidance have been invaluable, and I am forever indebted to you all.

Finally, I am at a loss for words to fully express my profound gratitude to my parents. On this significant occasion, I extend my heartfelt thanks to my father and mother, whose unwavering support, encouragement, and understanding have been essential in the completion of my research. I am deeply appreciative of their constant motivation and steadfast assistance throughout this journey. I am truly grateful to my sister for her loving support throughout this journey. Her encouragement and belief in me have been a great source of strength, and I deeply appreciate her unwavering presence in my life. This thesis is dedicated to them, as a tribute to their irreplaceable role in my life.

**Jayraj N. Jatiya**
