Acknowledgement

First and foremost, I would like to express my deepest gratitude to God, who has filled me with perseverance and strength and has been my constant companion throughout this journey. I extend my heartfelt thanks to Atmiya University for providing a nurturing academic environment that fostered my intellectual growth.

I would also like to pay special tribute to my grandparents *Lt. Shri. Bhanjibhai Tank, Shrimati Pushpaben Tank, Lt. Shri Manharlal Shah* and *Lt. Shrimati Meenaben Shah* whose encouragement have been a source of inspiration for me. Their values and teachings have instilled in me a strong work ethic and the importance of perseverance. Also to parents, your sacrifices and unconditional love have laid the foundation for my education. I am also thankful to my cousins, who have been a source of joy and motivation during this journey, reminding me of the importance of family. To my husband *Deep*, thank you for your endless patience and support. You have been my greatest motivator, and I am grateful for your love and belief in my capabilities.

A special acknowledgement goes to my Head of Department, *Dr. Nutan Prakash Vishwakarma* [Biotechnology] and *Dr. Krishna Joshi*, [Microbiology] along with our *Dr. ashish Kothari*, Director, RIT whose guidance and insights have been crucial in shaping my research. A very special gratitude to *Dr. Vibhakar Vachhrajani, Dr. Rahul Kundu, Dr. Linz Buoy Goerge, Dr. Shivani Patel, Dr. Prapti Jivrajani* and *Dr. Sheetal Tank* for your expertise that have inspired me to think critically and strive for excellence. To my guide *Dr. Anmol Kumar* and Co- guide *Dr. Harishkumar Madhyastha* for kind words of encouragement, shared knowledge, or simply being present, your contributions have enriched my life and this thesis.

I would like to extend my appreciation to my colleagues in the Biotechnology and Microbiology department. The discussions, brainstorming sessions, and shared experiences have enriched my learning and made this journey enjoyable. To the supporting staff at Atmiya University, thank you for your assistance and dedication. From administrative help to technical support, your contributions have made a significant difference in my research experience.

as I conclude this chapter of my academic journey, I am filled with gratitude for everyOne who has played a role in my success. Lastly, I would like to acknowledge everyOne who has been part of this journey, even in small ways. This thesis is not just a reflection of my efforts but also a testament to the support and love I have received from all of you. Thank you for being a part of this journey.
