Acknowledgment

Completing this Ph.D. thesis has been an incredibly rewarding journey, and I owe heartfelt gratitude to numerous individuals and organizations whose support, guidance, and encouragement have made this achievement possible.

First and foremost, I am deeply indebted to my supervisor, Dr. Mital Manvar, whose unwavering support, invaluable insights, and constructive criticism have been instrumental throughout this research endeavour. Their expertise, patience, and dedication have shaped my academic growth and instilled in me a deeper understanding of the subject matter. I am profoundly grateful for their mentorship and encouragement, which have been pivotal in shaping the direction of this thesis.

I extend my sincere appreciation to the members of my thesis committee, for their insightful feedback, scholarly guidance, and unwavering commitment to excellence. Their expertise and constructive criticism have enriched the quality of this thesis and broadened my perspectives on the subject. I am grateful for their time, expertise, and invaluable contributions to this research.

I would like to express my gratitude to Atmiya University for providing a conducive academic environment and the resources essential for conducting this research. The facilities, and library resources, provided by the university have been instrumental in facilitating my academic pursuits and the completion of this thesis.

I am thankful to the staff and faculty of the B.K. Mody Government Pharmacy College, Rajkot for their support, encouragement, and scholarly guidance throughout my academic journey. Their dedication to excellence and commitment to fostering a vibrant academic community have been inspiring and have contributed significantly to my intellectual growth.

I am indebted to my colleagues and fellow researchers for their camaraderie, intellectual exchange, and support during my Ph.D. studies. Their diverse perspectives, constructive discussions, and collaborative efforts have enriched my research experience and made this journey more fulfilling.

I am deeply grateful to my family for their unconditional love, unwavering support, and endless encouragement throughout this journey. Their sacrifices, understanding, and encouragement have been my source of strength and motivation, and I dedicate this achievement to them.

Finally, I extend my heartfelt appreciation to all those who have directly or indirectly contributed to this thesis, whether through their encouragement, feedback, or support. Your

contributions, no matter how small, have played a significant role in shaping this research and my academic journey.

In conclusion, I am profoundly grateful to everyone who has been a part of this journey and has supported me along the way. Your support, guidance, and encouragement have been invaluable, and I am truly grateful for the opportunity to embark on this academic endeavour.

Thank you.

Katbamana Rachanakumari V.
