## Acknowledgement

The completion of this doctoral thesis represents a significant milestone in my academic journey, made possible by the unwavering support and guidance of many individuals to whom I am deeply grateful.

First and foremost, I offer my heartfelt gratitude to my spiritual mentors H.D.H. P.P. Hariprasad Swamiji, P.P. Prabodhjivan Swamiji, and P.P. Shri Tyagvallabh Swamiji whose blessings and spiritual guidance have been a constant source of strength and clarity throughout this journey.

I owe an immense debt of gratitude to my parents for their unconditional love, support, and encouragement. Their belief in me and tireless sacrifices have been foundational to my success. This thesis is a testament to their unwavering faith and divine grace.

I express sincere appreciation to my research guide Dr. Devendrabhai J. Kaneriya, for his exceptional mentorship, constant encouragement, and insightful guidance. His support created an environment that inspired critical thinking and growth. I am truly grateful for the opportunity to work under his guidance.

Special thanks to Dr. Kartik Ladva, Principal of Shree M. & N. Virani Science College, Rajkot, for his cooperation and provision of essential laboratory facilities. I also extend my gratitude to Dr. Pankajkumar B. Nariya, Head of the Department, for his constant support and direction throughout this research.

I would like to acknowledge my teachers Dr. Ashish Kothari, Dr. Satishkumar D. Tala, Dr. Anilkumar S. Patel, Dr. Mahesh M. Savant, Dr. Pratik A. Ambasana, and Dr. Neha K. Baku for their encouragement, helpful suggestions, and inspiring words during my research tenure.

A special note of thanks goes to Dr. Ranjan Khunt for her valuable support and expertise, which contributed significantly to this work.

I am thankful to Atmiya University for its academic environment, excellent facilities, and continued encouragement that supported both my personal and professional development.

I sincerely appreciate the support and camaraderie of fellow research scholars Nikhilbhai, Amitbhai, Jaybhai, Deepbhai, Jayraj, Monil, Makadiya, Nishant, Vivek, and Nivruti whose assistance and companionship enriched my research experience.

Finally, I express my deepest thanks to Prabodhswamiji, as well as to my pappa, mammi, and Chidakash. Their unwavering support, motivation, and love have been my pillar of strength. This thesis is a humble tribute to their vital and irreplaceable role in my life.
