Acknowledgement

The completion of this doctoral thesis marks a significant milestone in my academic journey, and it would not have been possible without the divine blessings of *H.D.H.P.P. Brahaswaroop Shri Hariprasad Swamiji, P.P. Prem Swaroop Swamiji* and *P.P. Tyagvallabh Swamiji*.

I extend my deepest appreciation to my supervisor, *Dr. Satishkumar D. Tala* whose unwavering guidance, insightful feedback, and constant encouragement have been pivotal to the completion of this research. His ability to challenge my thinking and motivate me to explore new perspectives has been invaluable. I am profoundly grateful for the mentorship of *Dr. K. D. Ladva*, and *Dr. Naval Kapuriya* for fostering an environment of intellectual curiosity, their constructive criticism, thoughtful suggestions, and expert advice. The support from faculty members of Department of Chemistry *Dr. Pankajkumar B. Nariya, Dr. Anilkumar S. Patel* and *Dr Mahesh M. Savant* have been crucial in shaping this work and their willingness to share their time and expertise has greatly enriched my academic experience.

I dedicate my research to Lt. Mr. Trilokprasad M. Mandir and Ranjanben T Mandir whose camaraderie and belief in the value of education has been a constant source of motivation.

On a more personal note, I would like to express my deepest gratitude to my family for their unconditional love, patience, and encouragement. To my parents *Parag T Mandir and Rupa P Mandir*, whose beliefs in my potential and sacrifices for my education have been my guiding light. To my elder sister, *Pooja*, your support and words of encouragement have meant the world to me. To my wife *Shivani*, your nature of understanding has been a crown-stone in this journey.

This work would not have been possible without the institutional support provided by *Dr. Ashish Kothari*, Director, RIT. I am grateful for the access to state-of-the-art facilities and resources, as well as the funding from SHODH, Govt. of Gujarat and Developmental Therapeutics Program, that falls under DCTD (Division of Cancer Treatment & Diagnosis) of National Cancer Institute, National Institute of Health (NIH), Germantown, USA, which enabled me to pursue this research.

A heartfelt thanks to my friends, both near and far, for their unwavering support and understanding. Your encouragement during moments of self-doubt and your ability to bring joy into my life have been invaluable. Special thanks to *Hardik Chavda*. I would like to extend my heartfelt gratitude to all the research scholars who generously devoted their time and shared their knowledge for this research. My sincere thanks go to *Dr. Jaysinh Jadeja, Dr. Jayraj Jatiya, Dr. Amit Khakhriya, Dr. Aamir Shama, Monil Dholariya, Deep Makadiya, Nishant Gadara* and *Ajay Jani*. Their active involvement has been invaluable, and without their support, completing this study would have been much more challenging. I deeply appreciate their contributions to this work.

To everyone who has contributed in any way to this journey, I offer my profound gratitude. This achievement is as much yours as it is mine.
