Certificate of Supervisor

This is to certify that work entitled "*An Algorithmic Approach for Undergraduate Computer Science Students to Select Mentor using Recommendation System of Machine Learning*" is a piece of research work done by **Nehal K. Dave** under my supervision for the degree of Doctor of Philosophy in Department of **Computer Science**, Faculty of Science, Atmiya University, Rajkot, Gujarat, India

To the best of my knowledge and belief the research work and thesis

- I.   Embodies the work of candidate himself / herself,
- II.   Has duly been completed,
- III.   Fulfils the requirement of ordinance related to Ph.D. degree of the University & is up to the standard both in respect of content and language for being referred to the examiner.

Date:

Place: Atmiya University, Rajkot.

Acknowledgement

I want to sincerely thank everybody who has contributed to me along the way as I've worked to finish this thesis.

Above all, I want to convey my sincere gratitude to Dr. Hiren R. Kavathiya, my supervisor, for their intelligent criticism, support, and helpful advice. Their knowledge and tolerance have greatly influenced this research and assisted me in overcoming its obstacles.

Additionally, I would like to express my gratitude to Dr. Parag Shukla and Dr. Pratik Vanzara, who served on my research committee, for their helpful criticism, recommendations, and encouragement during this period of time. Their findings have significantly improved the calibre of this work.

I would like to express my gratitude to Atmiya University, Rajkot for providing the surroundings and facilities necessary to conduct this research. In the lotus feet of P. P. Sadhu Tyagvallabhdas, the honoured secretary of Atmiya University, Rajkot, who's blessing and best wishes accompanied me on this academic journey, I give my prayers and gratitude. I also like to thank Dr. Divyesh Gohel, the department head, for all of his help throughout this time.

I am deeply grateful to my parents Mr. Kiritkumar Dave and Smt. Sumanben Dave for their unconditional love and unwavering support throughout my journey. Their guidance and blessings have been my greatest strength. To my husband Mr. Amardip Vagadiya, thank you for his patience, understanding, and constant motivation. His belief in me has been a source of endless inspiration. I sincerely thank my sister Dhara Dave for her encouragement and acceptance in my abilities.

Without the backing support and rigorous efforts of my nephew Mr. Smit Kotak, this research work would not have been possible. His support, late-night works, and capacity to cheer me up when I was feeling down have been priceless. He is a person who never failed to listen and offer support when I needed it most.

I owe a huge debt of appreciation to my friends for their constant companionship and support during this journey. More precisely, I want to thank Dr. Priti Sadaria their cooperation and unwavering resolve have been a continual source of inspiration for my research work. I express my gratitude to Dr. Meera Shah for pointing me in the correct direction. I sincerely thank my wonderful friend, Sonal Tank, for her invaluable assistance in data cleaning. I extend my heartfelt gratitude to my amazing friends, Miral Kothari, who helped me to improve my presentation skills.

I extend my heartfelt thanks to my colleagues for their valuable contributions. Finally, I would like to express my gratitude to everyone who has supported me, either directly or indirectly, along the course of my endeavour to successfully complete this research work, including through helpful conversations, technical guidance, and words of encouragement.
